

# How To Make An Action Figure

**1.** WHAT DO YOU LIKE TO DO IN YOUR SNEAKERS

MAKE A POSE AND FREEZE!

THINK ABOUT HOW YOUR BODY IS POSITIONED. ARE YOU ARMS BENT? WHAT ARE YOUR FEET DOING? WHAT ARE YOUR HANDS DOING? ARE YOU STANDING STRAIGHT AND TALL?

**2.** TAKE A SMALL BALL OF CLAY AND DIVIDE IT INTO 3 PIECES.

SMALL  
MEDIUM  
LARGE

**4.** FROM THE MEDIUM AND LARGE PIECES, ROLL 2 COILS

THESE WILL BE YOUR ARMS AND LEGS.

**3.** FROM THE SMALL PIECE, ROLL A BALL

THIS WILL BE THE HEAD.

**5.** PRESS THE BALL AND 2 COILS TOGETHER TO MAKE A PERSON.

**6.** ATTACH PARTS TOGETHER BY SMOOTHING ALL THE JOINTS.

**7.** SHAPE THE BODY PARTS SO THEY BEGIN TO LOOK REAL.

BE CAREFUL NOT TO MAKE ARMS AND LEGS TOO THIN OR THEY WILL BREAK OFF.

**9.** ADD EXTRA CLAY TO ANY PART THAT FEELS WEAK OR THIN.

**10.** YOU CAN CONNECT THE ARMS AND LEGS TO MAKE THEM STRONGER AND MORE SOLID.

**11.** ADD DETAILS WITH A TOOTHPICK OR YOUR FINGERS.

Hair  
Face  
Clothes  
Sneakers

**8.** BEND YOUR FIGURE INTO THE POSE YOU WERE JUST IN.

YOU MIGHT WANT TO TRY TO PUT YOUR BODY IN THAT POSE AGAIN TO HELP YOU REMEMBER HOW YOUR ARMS & LEGS WERE PLACED.

**12.** TURN YOUR FIGURE AROUND & MAKE SURE IT LOOKS GOOD TO YOU FROM ALL SIDES!
